

Young Savers

***Financial stability starts at a young age -
teach great saving habits with our line of Young Saver accounts & services!***

Young Saver's Share Account

Members 17 and under earn dividends on just \$25 or more on our Young Saver's share "savings" account.

CU Money Reloadable Cards

Is your favorite Young Saver going on a school trip, but needs the availability of a card while they travel? Our reloadable CU Money Card is the safe, convenient solution. Enjoy the convenience of a VISA® card that you can reload online or at any Service One location!

SOCU Tracker App

Young Savers are able to create interactive budgets with SOCU Tracker, our free budgeting app. Available for iPhone, iPod Touch, iPad, and/or Android devices.

Youth Week Celebration

Service One plans special activities for Young Savers each year during the month of April to encourage good savings habits. Participate in fun educational activities, for a chance to win exciting prizes.

Add-On Certificate

High Interest, the easy way! Available to any Service One CU member, but excellent for Young Savers who want to add a small amount at a time. Add-On Certificates have an initial 6-month term, which will automatically renew unless otherwise instructed. Minimum \$25 to open the certificate, with a minimum add-on deposit of \$10.

Coverdell Educational Savings Account

This special account is meant to be used to cover educational expenses for elementary, secondary, and post-secondary education. Contribute \$2,000 a year per child under the age of 18, and earnings grow tax-deferred until withdrawn. Funds can be transferred from one child's account to an account for another child in the family. Please consult your tax advisor to see if this option is for you.

Federally Insured
by the NCUA.
